

ALGEBRA 1

Unit 5: Functions

Class website link: <https://www.lopezandtheseecretsoftheuniverse.com/unit-assessments>

Grade Level:9/10th grade

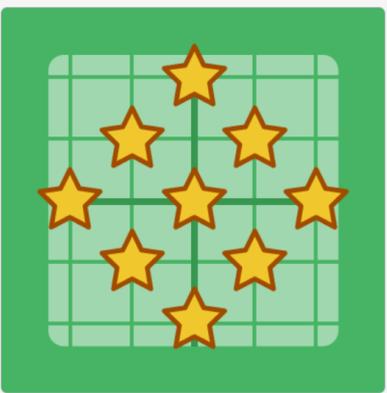

Subject: Algebra1(ELD)

Daily lesson Length 45-60min

This class is an English Language support class, which means every student has varying English speaking, and writing skills. Students will be given handouts on Tuesday, and will take some notes with me so they are more prepared to complete the packet on their own for Thursday and Friday. A video is provided for students who missed class on Tuesday or who need to relearn the material.
